Billecart-Salmon has always been a firm favourite of ours here at The Grove and so we proudly present them as our house Champagne.

Established in 1818 by Nicolas-Francois Billecart, the house today is run by the 6<sup>th</sup> generation of the Billecart-Salmon family, making it one of the few remaining champagne houses to be owned by the original family.

With a small estate of 100 hectares, Billecart-Salmon pride themselves on combining the best traditions with modern vinification methods to create wines with rare complexity and stunning freshness.
